

**NORTH BAY POLICE SERVICES BOARD
PROBLEM ORIENTED POLICING POLICY**

INDEX NUMBER: CP-001

DATE:

PREAMBLE:

It is the policy of the North Bay Police Services Board with respect to problem-oriented policing that the Chief of Police will:

- a. require appropriate supervisors and front-line members to work, where possible, with municipalities, school boards, businesses, community organizations and members of the public to address crime, community safety, public disorder and road safety problems; and
- b. require appropriate supervisors and front-line members to promote and implement problem-oriented policing initiatives to respond to identified crime, community safety, public disorder and road safety problems, including repeat calls for service and repeat victimization; and
- c. ensure that supervisors and front-line members are provided with information and resource material on problem-oriented policing; and
- d. promote the use of directed patrol targeted enforcement and other initiatives to respond to high crime or high occurrence places/areas and serial occurrences; and
- e. develop procedures to support the promotion and implementation of problem-oriented policing; and
- f. provide information in the annual report on the steps taken by the police service to promote, implement and evaluate problem-oriented policing initiatives.
